

## Legal Disclaimer:

Giggity-Memes ("the Project") is a meme token deployed on the Solana blockchain, which may initially hold minimal value and is subject to market fluctuations until all proposed utilities are fully realized. Participants are urged to exercise caution and perform comprehensive research before engaging with the Project. The Project team emphasizes that no communication or action by the team should be construed as legal or financial advice. Participants are advised to seek guidance from qualified professionals regarding investment decisions.

While the Project team endeavors to uphold the integrity of the Project, participants acknowledge and accept full responsibility for their actions, investments, and decisions. The Project team disclaims all liability for any losses, damages, or liabilities arising from negligence or misconduct by any party engaging with the Project.

Furthermore, all artwork associated with Giggity-Memes is considered fan art and is not intended for commercial sale as NFTs or any other form of monetization. The use of copyrighted or trademarked material is not authorized unless explicitly stated otherwise. Any unauthorized use of intellectual property is strictly prohibited and may result in legal action.

By participating in Giggity-Memes, individuals acknowledge and accept these terms and conditions, and agree to abide by all legal requirements and obligations associated with the Project.
